Dear Scott:

Once again, I want to pass along my sincerest thanks for all of your efforts on our behalf and on behalf of TVL, Inc. during our "New Visions in Video Marketing" seminar.

Your professionalism was outstanding, and your cool and calm under pressure led to a number of important "fixes" prior to the show.

We appreciate how good you made us sound, and look forward to an opportunity of working with you again in the future.

Please don't hesitate to use us in recommendations for future business.

Cordially,
