Dear Scott:

Thank you for the fine work you and your staff did at our annual meeting. As you know, these meetings are very important to Wisconsin Energy so it's essential that the event goes smoothly. The response from the stockholders has been most positive and Senior Management feels the program was a great success. Your efforts played a large part in that success.

If events go as planned, we will be back at the Bradley Center next year. We'll look forward to working with you then.

Again, thanks for your efforts and professionalism.

Sincerely,

Steve Smith  
Visual Services Supervisor
