Dear Scott:

Congratulations and thank you. In case you haven't heard, "Can You Dig It?" has won a Gold Spotlight Award from I.T.V.A.-Milwaukee. I'm forwarding the certificate along with my appreciation for the fantastic job you did with the audio post.

We also won a first place "Shooting Star" award from the 1994 American Corporate Video Awards competition and "Can You Dig It?" is a finalist in the national I.T.V.A. awards in June. I'll keep you posted if anything exciting develops.

Thanks again for your great work!

Sincerely,

Gael Garbarino
