Dear Kim and Scott:

This is a letter of thanks for all the hard work that you did to give Washington County Circuit Courts the best possible sound system. I know that you invested some of your own funds so that the system would work better and enable the judges to have equilibration of sound. The four judges are very happy with your work, and I thank you for your dedication and concern.

I realize we ran into some time problems, but I believe they were legitimate problems and concerns, and that we have a more dependable system due to your research and analysis.

Sincerely yours,

Carol A. Puerling  
Clerk of Circuit Court
