Re: Waukesha County Juvenile Court Sound System

Dear Kim:

Just a brief note to thank you for all your assistance in getting our sound system in proper working condition.

It is also rewarding for the customer to receive excellent service, such as you provided to us.

On another note, thought you might like to know that Waukesha County has approved our request to order two new microphones from you to be placed at each counsel table. If you do not receive a purchase order within the next two weeks, could you kindly contact Linda to have her follow up on this paperwork.

Thanks again.

Sincerely yours,

HON. J. MAC DAVIS, Judge
CIRCUIT COURT, BRANCH 7
